- ⌘ The events of SPLENDORE are only for **+1, +2 students (online) and students enrolled in any of the Undergraduate Programs of Arts / Humanities/ Commerce / Science/ Business/Law and Social Work programs.**
- ⌘ Every contestant, group or individual should report at the respective venues 15 minutes before the time announced. Failure to report in time will lead to the cancellation of the group's or individual's registration.
- ⌘ For online events, the respective candidates' sole responsibility is to ensure that the necessary logistics (functioning internet, laptops / mobile phones, speakers, microphones etc.) are set up before the time announced.
- ⌘ The decision of the judges will be final for all the events.
- ⌘ All the details of the events and relevant communications from time to time will only be sent to the email IDs provided at the time of registration. It will be the sole responsibility of the candidate to provide the organizers with the correct email ID.
- ⌘ All the participants must wear ID cards provided by their respective institutions at the time of registration.
- ⌘ Kindly follow the instructions given by the coordinators to ensure the smooth conduct of the program. You are requested to seek the advice of official volunteers in case any assistance is required.
- ⌘ Any kind of vulgarity/profanity/abuse will be penalized, and the candidate will be immediately disqualified.
- ⌘ The decision of the judges will be final.

## **GRIEVANCE REDRESSAL COMMITTEE**

Your grievances, if any, will be considered with due importance. Grievance regarding any matter should be reported to **splendore@rajagiri.edu**, in writing, within 30 minutes of the declaration of results. The Grievance Redressal Cell will convene and rule on the grievance within two hours of filing the grievance. Only the grievances submitted by the Group Leader will be taken into consideration by the cell. The decisions of the Grievance Redressal Committee shall be final.

## EVENT 8: ARTIFEX AI

**Category: College only**

**Maximum number of participants per team: 2**

ARTIFEX AI event aims to foster students' logical reasoning abilities and creativity by blending AI concepts with practical skills. Participants will engage in two rounds: an initial elimination round focused on logical reasoning and a second round centred on AI-powered poster creation.

### ***Rules of the Event***

1. This is a team event consisting of two members and the team should be formed from the same college.
2. The Institution shall provide computer systems with internet facilities.
3. The team can use any AI-based online tools.
4. The team will be disqualified if they use any pre-prepared content
5. The event consists of two rounds.
6. Round 1: Logical Reasoning and Elimination: This round will be a written or online test containing a set of logical reasoning questions. Questions will include puzzles, problem-solving tasks, and logical challenges that test critical thinking and quick decision-making. The duration of this round will be 30 minutes.
7. Evaluation: Answers will be scored based on accuracy. Top X% candidates will move to the next round. X will be decided based on the participation percentile.
8. Round 2: AI-Based Magazine Creation: Participants will be allowed to use AI-based design tools (such as Canva, Adobe Creative Cloud, or open-source AI art generators etc.). Theme options will be announced at the start of the round (e.g., “The Future of AI,” “Sustainability,” etc.). Students will have a limited time to design a Magazine that best represents the assigned theme using the AI tool of their choice. The duration of this round will be 40 minutes

9. Evaluation Criteria: Submissions will be evaluated based on the following criteria:

- ✓ Creativity and originality of the Magazine.
- ✓ Effective use of AI tools and adherence to the theme.
- ✓ Presentation and clarity in the visual representation.

**NOTE:** If the number of teams registering for the event is less than three, the event will be held but only consolation prizes will be awarded to the participants.
